- 2.1. Upon the execution of this Agreement, the Investor agrees to pay in favor of the Company a total amount of Euro [•] (the “**Future Equity Amount**”) as an advance payment for the subscription price of a future capital increase (referred to as “*versamento in conto futuro aumento di capitale*”).

 - (a) cannot be merged with other reserves;
 - (b) cannot be used for accounting purposes, except for covering losses of the year, where it is subordinated to other reserves excluding the legal reserve;
 - (c) cannot be distributed to any parties other than the Investor for the purpose of allocating the Investor [Quota/Shares].
- 2.3. In the event that the Targeted Reserve is utilized for loss coverage, as described above or in the event that the Company’s corporate capital is reduced to zero, the Investor’s right to receive the Investor [Quota/Shares], as further detailed in paragraph 7.4, shall remain unaffected.
- 2.4. The Parties agree that this Agreement shall be qualified as a random contract within the meaning of Article 1469 of the Italian Civil Code and, therefore, Articles 1467 and 1468 of the Italian Civil Code shall not apply.
- 2.5. The Future Equity Amount shall be considered non-interest bearing and free of interest. Without prejudice to any other legal remedies available to the Investor, if the allocation of the Investor

IBAN: [•];

Description: "Versamento SAFE"

4. CONSENTS AND WAIVERS

- 4.1. The Founders and Significant [Quotaholders/Shareholders] undertake to ensure that:
- (a) all necessary consents, waivers and corporate approvals (as required by the By-Laws or applicable law) are obtained for the issuance and allocation of the Investor [Quota/Shares] to the Investor as specified in this Agreement; and
 - (b) any third party who becomes a Significant [Quotaholder/Shareholder] of the Company after the signing of this Agreement, shall, as soon as practicable and, in any event, within 10 (ten) Business Days of becoming a Significant [Quotaholder/Shareholder], be bound to the terms and conditions of this Agreement by signing the Letter of Adherence.

5. RELEVANT EVENT

- 5.1. The Company, the Founders and the Significant [Quotaholders/Shareholders], each within their respective capacities, agree to ensure that the Investor [Quota/Shares] is offered for subscription to the Investor, utilizing the Targeted Reserve, upon the occurrence of any of the following events:

- (a) an Investment Round;
- (b) a Liquidity Event;

and, in the absence of (a) or (b),

- (c) the expiration of a period of [•]⁷ months from the date of signing this Agreement (the "Longstop Date");

(each, a "Relevant Event").

6. CALCULATION OF THE INVESTOR [QUOTA/SHARES]

⁷ It is deemed that a reasonable term shall be no greater than 18 months from the signing date.

6.1. Upon the occurrence of a Relevant Event, the Investor shall be entitled to hold the Investor [Quota/Shares], which shall be calculated as follows:

In the event of an Investment Round or Liquidity Event

$$Investor [Quota/Shares] (\%) = \frac{Future\ Equity\ Amount}{(1 - Discount\ Rate) * Post - Money\ Valuation} * 100$$

Where:

“**Post-Money Valuation**” means:

- (a) In the event of an Investment Round, the post-money valuation of the Company on a Fully Diluted Basis, as determined, either explicitly or implicitly, for the Investment Round;
- (b) In the event of a Liquidity Event, the value attributed to 100% of the Company's corporate capital on a Fully Diluted Basis, calculated based on the price offered for the completion of the transaction underlying the Liquidity Event;

Provided that, in neither the aforementioned cases shall the Post-Money Valuation, once reduced by the Discount Rate, exceed the Valuation Cap.

At the Longstop Date:

$$Investor [Quota/Shares] (\%) = \frac{Future\ Equity\ Amount}{Longstop\ Date\ Valuation} * 100$$

7. EFFECTS OF A RELEVANT EVENT

7.1. Upon the occurrence of a Relevant Event, the Company, the Founders and the Significant [Quotaholders/Shareholders], each within their respective capacities, shall promptly notify the Investor in writing and shall take all the necessary actions to ensure that a capital increase of the Company is duly resolved, resulting in the issuance and allocation of the Investor [Quota/Shares] to the Investor.

7.2. The allocation of the Investor [Quota/Shares] shall take place:

- (a) in the event of an Investment Round, on the closing date;
- (b) in the event of a Sale of Assets or a Change of Control, prior to the completion thereof, to enable the Investor to benefit from the cash flows resulting from such liquidity events;
- (c) in the event of Listing, within 30 (thirty) Business Days from the date on which the administrative body of the Company resolves to initiate the Listing process. The conversion price shall be determined based on the fair market value of the Company as of that date, as established by an independent third party appointed by the Company's administrative body;
- (d) within 15 (fifteen) Business Days from the Longstop Date, if no Investment Round or Liquidity Event has occurred prior to that time;

with each such date referred to as the “**Issuance Date**”.

- 7.3. The Company, the Founders, and the Significant [Quotaholders/Shareholders], each within their respective capacities, shall ensure that the Investor is able to subscribe to the capital increase offered to [him/her] by utilizing the corresponding Targeted Reserve.
- 7.4. In the event that the Targeted Reserve has been depleted due to operating losses and it is insufficient to cover the nominal value of the Investor [Quota/Shares], the Company, the Founders, and the Significant [Quotaholders/Shareholders] shall ensure that the Investor receives equivalent rights as if the Targeted Reserve had been sufficient to cover the total nominal value of the Investor [Quota/Shares]. In such circumstances, the Company, the Founders, and the Significant [Quotaholders/Shareholders] may, at their discretion, undertake one or more of the following actions:
- (a) a portion of the contributions made by the New Investors in connection with the Investment Round shall enable the Investor to subscribe for the Investor [Quota/Shares] in an amount equal to that specified in paragraph 6.1;
 - (b) the Founders or the Significant [Quotaholders/Shareholders] shall contribute, in the interest of the Investor, an amount sufficient to enable the Investor to subscribe for the Investor [Quota/Shares] (limited to [his/her] nominal value);
 - (c) in the course of a process to convert existing [Quotas/Shares] into standardized [Quotas/Shares] without nominal value, the Investor [Quota/Shares] shall be issued without a corresponding increase in the nominal corporate capital;
- or, in any other case,
- (d) any other procedure shall be adopted that permits the transfer of the Investor [Quota/Shares] to the Investor, including actions taken by the current [quotaholders/shareholders] of the Company.

8. EFFECTS OF THE ISSUANCE

- 8.1. The Investor [Quota/Shares] shall confer the following rights:
- (a) in the event of an Investment Round, the same economic rights granted to the New Investor, including, where applicable, rights related to liquidation preference and anti-dilution protection;
 - (b) in the event of any other Relevant Event, the administrative and economic rights equivalent to those of the most senior class/category of [quotas/shares] (i.e. the class that provides the greatest administrative and/or economic rights compared to other classes). This shall ensure at a minimum a non-participating liquidation preference of 1x, which shall be paid prior to the economic rights of other [quotaholders/shareholders] in subordinate classes/categories (including the Founders).
- 8.2. Following the issuance of the Investor [Quota/Shares] as described above, the Investor agrees to execute all necessary documents (including any [quotaholders'/shareholders'] agreement) required in connection with the [Quota/Shares], provided that the administrative and protective rights granted to the Investor are aligned with those afforded to the New Investor.
- 8.3. The Company, the Founders, and the Significant [Quotaholders/Shareholders] agree to take all the necessary actions promptly to ensure that the Investor is recognized as a valid [quotaholder/shareholder] of the Company as of the Issuance Date.

9. DISSOLUTION OR INSOLVENCY EVENT

9.1. If a Dissolution or Insolvency Event occurs prior to a Relevant Event, the Company, the Founders, and the Significant [Quotaholders/Shareholders], each within their respective capacities, agree to allocate the Proceeds, if available, as follows:

- (a) first, to satisfy the claims of the Company's creditors;
- (b) second, to reimburse the Investor an amount equal to the greater of (i) the Future Equity Amount and (ii) the amount the Investor would have received had he held the Investor [Quota/Shares], assuming an issuance based on the criteria applicable upon the expiration of the Longstop Date. If the Investor competes with other holders of SAFEs or equivalent semi-equity financial instruments, any remaining Proceeds shall be allocated on a *pari passu basis* among all such holders; and
- (c) finally, any remaining Proceeds shall be distributed among the [quotaholders/shareholders] of the Company.

10. EFFECTIVENESS OF THE AGREEMENT

10.1. This Agreement shall terminate between the Parties upon the earliest of the following occurrences:

- (a) the date on which the Investor subscribes to the Investor [Quota/Shares]; or
- (b) the conclusion of the final distribution pursuant to a Dissolution or Insolvency Event.

10.2. Without prejudice to any obligations arising under applicable law, the Company, the Founders, and the Significant [Quotaholders/Shareholders], each within their respective capacities, agree to ensure that no Proceeds are declared or distributed, directly or indirectly, during the entire term of this Agreement.

11. RIGHT TO THE REFUND OF THE FUTURE EQUITY AMOUNT

11.1. The Investor shall not be entitled to a refund of the Future Equity Amount; instead, the Investor shall solely have the right to receive the Investor [Quota/Shares], in accordance with and subject to the provisions set forth in paragraph 6.1 (*Calculation of Investor [Quota/Shares]*) and paragraph 9.1(b).
